This product has been tested by Purity Medical Laboratories using valid testing methodologies and a quality system as required by state law. All LQC samples were performed and met the prescribed acceptance criteria in 4 CCR 15730, pursuant to 4 CCR section 15726(e)(13). Values reported relate only to the sample products as received and tested. Purity Medical Laboratories makes no claims as to the efficacy, safety, or other risks associated with any detected or non-detected levels of any compounds reported herein. This Certificate shall not be reproduced except in full, without the written approval of Purity Medical Laboratories. The following abbreviations for Limit of Detection (LOD), Limit of Quantitation (LOQ), and Not Detected (ND) are applied. Uncertainty measurement calculations are not factored into the final results and do not contribute in the decision of a pass/fail for the specified analytes.
